

12.1D. PARALLEL TITLES. [New]

CONSER standard and minimal record practice: It is not required to transcribe a parallel title appearing on the serial issue used as the basis of the description in a 245 \$b. Record it in the 246 field using indicators 11. If an existing record or data supplied by external sources has a parallel title in the 245 field, don't delete it.
